

THE SONG OF ASIA
Bless Our God Who Walks With Us

On our shores we see Love coming
casting seeds on all our land.
To our night comes suddenly shining
a great sign to set us free.

And at dawn we see your sun.
All our shadows now have meaning.
We now see a sister, a brother.
No more strangers in our land.
No more strangers in our land.

Refrain:

God the Father, mercy is your name.
Our Lord Jesus, redeem our pain.
Holy Spirit, fill us with the Fire of Great Love.
Bless our God who walks with us.
Bless our God who walks with us.

And the poor will proclaim your praises.
Our young your mission will embrace.
And Creation's groaning now will be heard.
Holy Peace to all will be served.
Holy Peace to all will be served.

You have woven us together
different shades now shining as one.
We are gifts to one another.
Salt and light to everyone.

And at dusk we see your star
pointing to a new direction.
We now serve every sister and brother.
We are one family in our land.
We are one family in our land. (Refrain)

Bridge:

To the margins we will go
and behold the face of the Lord!
